Benita,

Attached are the latest drafts of the FL and WA petition responses (incorporating edits from the regions, OGC/ORC, and OST management through Betsy S). We are giving these one final review and then will route both in a blue folder (along with delegation memos that would delegate signature authority from the Administrator to Mike Shapiro) shortly.

Please let us know if you have any questions, Erica

Erica will send you the draft letters responding to the petitions by email today. We will follow up with a

hard copy package that has all the delegation forms as well as the petition responses.
